

Dear 3K Parents and Families,

This letter is to inform you of the expectations that we have for students entering the 3K program this year. Children are expected to be fully potty trained in order for them to be considered a student at Grace Lutheran School. We understand that accidents happen but "fully potty trained" means that they are able to tell someone when they need to use the bathroom and that they are able to use the bathroom on their own. Pull ups or other forms of diapers are not allowed in our 3K program. The job of the teacher, aide, administrator, or any other adult is not to be dealing with potty issues on a consistent basis.

If your child is struggling with potty training, please take the time to work with them at home before sending them to school. We are more than willing to allow your child some extra time at home without having to worry about losing their spot in the class. If your child has three or more accidents at school, they will be asked to stay at home for a period of two weeks or longer until they are able to use the bathroom independently.

Thank you very much for your cooperation in our efforts to be able to teach all the children in the class in the most effective way possible. If you have any other questions or concerns, please contact the School Office (262) 251-7140
